<[*Technological Forecasting & Social Change* 161 (2020) 120,263]>

The authors would like to correct an error and add an acknowledgement.

Replace in Section 4.2 ‘Data Collection’:

Interviews were conducted from November 2018 to August 2019.

With:

The interviews were conducted from October 2015 and November 2016 while further secondary data was collected between November 2018 and August 2019.

Acknowledgement

This paper was derived from a PhD project that was conceived, designed and supervised by Professor Jason Whalley and Dr Roseline Wanjiru, and was broader in scope than infrastructure sharing. Thus, the authors would like to duly acknowledge their invaluable supervisory guidance and support without which Dr Arakpogun’s PhD completion, and by extension, this paper, would not have been possible. We regret this omission.
