Northumbria University has developed Northumbria Research Link (NRL) to enable users to access the University's research output. Copyright © and moral rights for items on NRL are retained by the individual author(s) and/or other copyright owners. Single copies of full items can be reproduced, displayed or performed, and given to third parties in any format or medium for personal research or study, educational, or not-for-profit purposes without prior permission or charge, provided the authors, title and full bibliographic details are given, as well as a hyperlink and/or URL to the original metadata page. The content must not be changed in any way. Full items must not be sold commercially in any format or medium without formal permission of the copyright holder. The full policy is available online: <http://nrl.northumbria.ac.uk/policies.html>

This document may differ from the final, published version of the research and has been made available online in accordance with publisher policies. To read and/or cite from the published version of the research, please visit the publisher's website (a subscription may be required.)

## Morrisons

There's a queue, I've forgotten how to  
at the front door cans of irn bru  
As I'm going for a basket  
there's a man without a mask up  
the lights are so bright; loaf of bread  
exposing my fears; lettuce head  
illuminating anxiety  
They've reopened the bakery  
light bulb, baked beans, block of cheese  
frozen veg, anything but peas  
Oh too many people, next aisle  
just won't have that for a while  
It's not that I'm really scallops  
I'm just somewhat lacking in carrots  
it's been so long since I've seen potatoes  
and some of them are getting too close  
that turnip has a mask on his chin  
I don't think I should have come in  
I think I simply was not ready  
for broccoli to get too close to me
